21st Century Community Learning Centers

21st Century Learners attend Saturday enrichment sessions.

CMS students work with other 21st Century peers to complete homework or special interest projects.

CMS 21st Century students join health care professionals in an interactive community health and wellness fair.

21st Century CMS Students Sink Their Teeth into Fernbank

By bus, we go to the top of the world

where our bodies and minds explore and our imaginations open.

GCHS 21st Century students learn about motivation with an emphasis on making choices that determine one's future.

21st Century continues to grow community learning centers while attracting and welcoming expert teachers from various backgrounds including University of Georgia students and staff plus other experts from a broad range of successful career experiences.
